RE: Cal Schmidt, MS DABR – MQSA Initial Qualification

This letter is to establish Cal Schmidt as a Physicist within the MQSA, specifically to document 10 mammography surveys and 20 contact hours of specialized training conducting mammography surveys under direct supervision of an MQSA qualified physicist.

Cal has performed surveys of mammography units and facilities on the following dates for the highlighted number of units and hours under my direct supervision. Supplemental information about these surveys can be submitted upon request. My credentials as an MQSA Qualified Physicist are available for review if needed.

St Cloud Hospital Breast Center Room 2 (FFDM): 1 Unit, 3 hours	8-27-15
Fairview Maple Grove Room 2 (FFDM): 1 Unit, 3 hours	8-3-15
Shared Medical Services IVY1 (FFDM): 1 Unit, 3 hours	7-29-15
Fairview Fridley (FFDM): 1 Unit, 3 hours	7-30-15
Monticello Clinic (FFDM): 1 Unit, 3 hours	3-12-15
Suburban Imaging Blaine (FFDM): 1 Unit, 3 Hours	2-2-15
Suburban Imaging Coon Rapids (FFDM): 1 Unit, 3 hours	2-2-15
Ridgeview Medical Center Room 1 (FFDM): 1 Unit, 3 Hours	1-28-15
CDI St. Louis Park (FFDM): 1 Unit, 3 Hours	1-13-15
SPR Roseville (FFDM): 1 Unit, 3 Hours	12-23-14

Total

10 Units surveyed and 30 contact hours

Tony D. Murphy, MS DABR
President and Lead Medical Physicist
Midwest Medical Physics LLC

*(FFDM) = Full Field Digital Mammography

Certificate of Completion

Cal Schmidt, MS, DABR

In recognition of successful completion of the 8-hour GE Healthcare
Digital Breast Tomosynthesis Mastery Training Program

Jessie Jacob, MD, MMM
GE Chief Medical Officer, Women's Health

June 12, 2015

GE Healthcare

HOLOGIC®

On this Date: _____

Authorized by:  _____

HOLOGIC™

The Women's Health Company

Hereby awards this Certificate of Completion to

Cal Schmidt, MS DABR

*For completing 5 hours of HOLOGIC's product training in accordance with MQSA guidance for Digital 3-D Mammography Systems**

Selenia Dimensions™ Quality Control and Set-up Procedures

On this Date: August 27, 2015

Authorized Instructor: Richard L. Blauert, NXC Imaging

** MQSA guidelines require each Medical Physicist to complete eight hours of product training prior to using the Selenia Dimensions™ for clinical use.*

CERTIFICATE *of* COMPLETION

This is to certify that:

Cal Schmidt

successfully completed

MAMMOMAT Inspiration Tomosynthesis for Medical Physicists

This 3.0 hour web based training on Siemens Tomosynthesis

for Digital 3-D Mammography Systems. Training includes Siemens unique feature training.

Course ID: 90010613

Completion Date: 04/22/2016

Credits Type/Earned: 3 Category A

Approving Organization: AHRA

Reference Number: END1784

Approved Date Range: 08/13/2015 - 08/31/2016

SIEMENS
