KEY TO TRANSCRIPT OF ACADEMIC RECORDS

Note: The following explanation reflects information found on the John Patrick University of Health and Applied Sciences (JPU) **Official Transcript** produced from the Student Information System implemented June 2011. Prior to August 5, 2019, JPU was doing business as Radiological Technologies University VT.

I. Grade and Credit Point System

The following grades are considered in computing semester or cumulative grade averages. Course hours with a grade of “F” are counted when computing grade point averages but do not count toward the earned hours required for degrees.

Graduate Courses

A (4.0 Pts)	Excellent	F (0.0 Pts)	Failing
B (3.0 Pts)	Good	P (4.0 Pts)	Passed (Pass/Fail Option)
C (0.0 Pts)	Unsatisfactory	WF (0.0 Pts)	Withdrawn – Failing
D (0.0 Pts)	Unsatisfactory		

Undergraduate Courses

A (4.0 Pts)	Excellent	F (0.0 Pts)	Failing
B (3.0 Pts)	Good	P (4.0 Pts)	Passed (Pass/Fail Option)
C (2.0 Pts)	Satisfactory	WF (0.0 Pts)	Withdrawn - Failing
D (0 Pts)	Unsatisfactory		

Repeated Courses

Repeated courses are counted in the John Patrick University of Health and Applied Sciences grade point average and may also be counted in the student’s primary program GPA (Student Program GPA), depending on the policies of the student’s program. The first attempt to complete a course is listed as attempted credits not earned.

The following grades are not considered in computing semester or cumulative grade point averages:

AU	Audit - No Credit
I	Incomplete/Pending
T	Denotes credits transferred from another Institution
W	Withdrawn
R	Repeated Course

Abbreviations and Symbols

EHRS	Credit hours earned
QPts	Quality Points Earned
GPA	Grade point average (computed by dividing QPts by EHRS)

Credit Types

Regular Credit – All John Patrick University of Health and Applied Sciences credit is reported in terms of semester hours.

II. Record Format

The “Official Transcript” standard format lists course history, grade and GPA information in chronological order sorted by the student’s career level. The “Official Transcript with Enrollment” provides the same information as the standard transcript but also includes all courses in which a student is currently enrolled or registered. “Official Transcript” or “Official Transcript with Enrollment” (Without career level designation) indicates that the document contains all work completed at John Patrick University of Health and Applied Sciences.

The JPU GPA reflects the student’s GPA according to standard university-wide rules. A Semester JPU GPA and a cumulative to date JPU GPA are calculated at the end of each semester. The overall JPU GPA summary statistics are reflected at the end of each student career level.

The Student Program GPA is calculated according to the rules determined by the student’s primary academic program at the time of printing. The cumulative Student Program GPA summary statistics are reflected at the end of each student career level and are based on the student’s last active primary program at that level.

III. Transfer, Test and Special Credit

Courses accepted in transfer from other institutions are listed under a Transfer Credit heading. Generally, a grade of “T” (transfer grade) is assigned and course numbers, titles and credit hours assigned reflect JPU Equivalents. Transfer hours with a grade of “T” are not reflected in the cumulative grade averages; however, the hours are included in the “Hrs Earned” Field.
